ADMINISTRATION

STANLEY JOHNSON
SUPERINTENDENT AND PRINCIPAL

This year Mr. Johnson has assumed the added responsibility of principal. This and being superintendent of an entire school unit make him one of the busiest men in town.

Of course, Mr. Johnson still finds time to counsel students, advise teachers, and keep a watchful eye on all school activities.

Mr. Johnson's "right hand women" are Mrs. Evelyn Koertge, unit secretary, and Mrs. Brenda Tompkins, high school secretary.

Together they solve almost every problem that a student may bring to them.

BRENDA TOMPKINS, SECRETARY

EVELYN KOERTGE, SECRETARY

Board of Education

BACK ROW: L-R; Ted Yates--President: Mr. Yates is serving his second year on the Board of Education. Popular florist in Mulberry Grove, Mr. Yates lives in Mulberry Grove and is the father of two children.

Calvin Metzger--Mr. Metzger is serving his sixth year as a member of the Board. He operates a farm about ten miles south of Mulberry Grove. Mr. Metzger is the father of three children.

Bill Thacker--Mr. Thacker is serving his first year on the Board. He, too, is a farmer and the father of two children. His farm is located about two miles northeast of Mulberry Grove.

John Marcoot--Mr. Marcoot is another first year Board member. The father of two children, Mr. Marcoot lives on a farm about a mile south of Pleasant Mound.

FRONT ROW: Eldon Roe--Mr. Roe has served for five years on the Board of Education. He is a farmer and the father of four children, all girls. The Roe home is ten miles north of Mulberry Grove.

Mearl Lewis--Mr. Lewis has served six years on the Board of Education. The father of seven children, he is a farmer and lives about two miles north of Smithboro.

Hayden Olive--Mr. Olive is starting his third year as a member of the Board. The owner and operator of Olive's Feed Store in Mulberry Grove, he is the father of one child and lives three miles northeast of Mulberry Grove.

DOROTHY BONE AND RUBY LEWIS, COOKS.

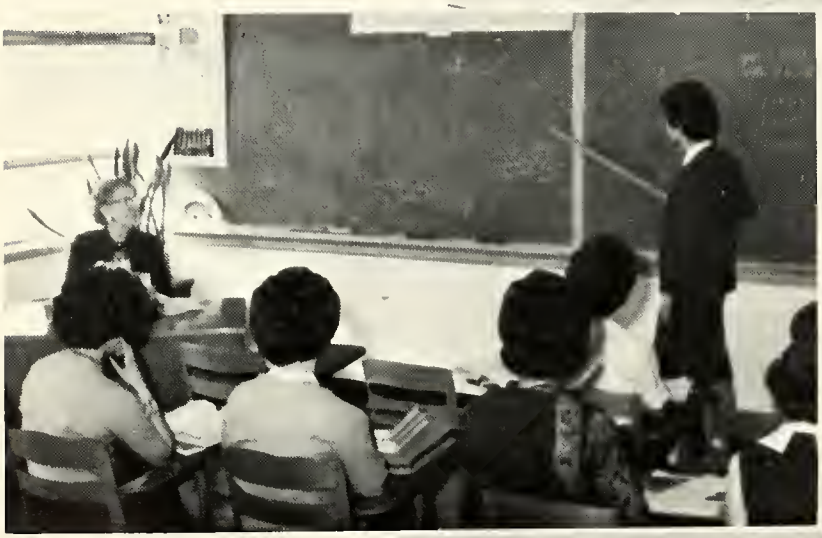
FACULTY

MISS VIOLA RAGLAND, B.A., McKendree College, is synonymous with mathematics at M.G.H.S. She teaches four different classes of mathematics--algebra I, plane geometry, algebra II, and advanced algebra--all with a special manner that only she has. Mathematics is an exact science and no one can stress that better to first year students than Miss Ragland. Always willing to explain and re-explain parts of math that puzzle her students, Miss Ragland hardly knows what it means to have a free period. Most generally one of her students will be at her desk wondering "How do you set this equation up" or



"How do you prove this corollary. I just don't understand it." When the student leaves, most generally his problem is solved and he understands it. It is no coincidence that math scores run very high on the standardized tests taken by M.G.H.S. students.

Since she is a senior sponsor, she often has conferences with her senior class officers. The senior trip to the Gulf Coast took much planning on the part of the seniors and their sponsors and it required much time. It also took MONEY that was made from concession stands, bake sales, and car washes.

The LEAVES Staff salutes Miss Ragland for the superb job she has done.

MR. GEORGE BROWN, M.S., Southern Illinois University, is our science department head. His classes include chemistry, biology, general science, and physics. Always cheerful and ready to match wits with any of his students, Mr. Brown is a real favorite with his students--except at test time. Extra duties befell Mr. Brown this year as a junior class sponsor. Directing the Junior Play and co-ordinating the Junior-Senior Banquet kept him extra busy. He and his wife have four children, David, Paul, Doug, and Susan. In summers, between camping trips of which he is extremely fond, Mr. Brown, manages the A & W Root Beer Stand in Greenville.

MRS. FLORENCE NEATHAMMER, B.S., Bethel College, is our social science instructor. Her daily routine includes sociology, government, American and world history, and geography. A sophomore class sponsor, Mrs. Neathammer is always willing to give of her time for school activities. Her vast library of historical information has been a big help to many students. Mrs. Neathammer and her husband, "Jake," have a four-year-old son, Johnny. Reading is Mrs. Neathammer's favorite pastime.

MRS. JUANITA DURR, B.A., Greenville College, is one of the more familiar faces at M.G.H.S. An English teacher here for 24 years, this year Mrs. Durr teaches two classes each of English I and II. She is also our school librarian, a job that consumes much of her time. As a senior sponsor, she is constantly involved in projects and activities. The mother of twin daughters, Marilyn and Carolyn, Mrs. Durr has three grandchildren. She is choir director for the First Baptist Church in Mulberry Grove and extremely active in all phases of church work.

MRS. FRANCES FANSLER, B.A., Eastern Illinois University, is teaching her first year of high school English at M.G.H.S. Long a favorite fact on the Junior High faculty, Mrs. Fansler has added English III and IV to her daily regimen. Mrs. Fansler is always willing to help her students in any way she can. Mrs. Fansler and her husband, Vic, have two children, Ronnie, and Beverly, a sophomore at Eastern University. In her spare time Mrs. Fansler likes to read and play the piano.

MRS. MARGARET STUDEBAKER, B.S., Greenville College, is instructor of the newest academic subject to be added to the high school curriculum--Spanish. Her duties include classes in Spanish I and II in the high school plus teaching English in the junior high. One can always tell the Spanish room by the colorful posters and displays. This year her classes presented "Cinderella" and "Snow White" in Spanish during the Talent Show at the Fall Festival. Mrs. Studebaker and her husband, Bob are the parents of a thirteen month old baby boy, Matthew LeRoy. In her spare time Mrs. Studebaker likes to knit and read.

MR. GEORGE H. BARTON, B.M., Vandercook School of Music, Chicago, is one of the busiest men around M.G.H.S. Presenting programs of music at Spring Concert, Baccalaureate, Commencement, various P.T.A. meetings and school assemblies plus planning and directing the Fall Festival provide a major share of his duties. In addition to instructing girls' chorus, concert and marching band, Mr. Barton also gives instructions in instrumental music to grade school students. Mr. Barton and his wife have two daughters who, like their father, teach music. Mrs. Barton is a frequent spectator at musical functions here and the music department's best fan. An important member of the Barton household is Sandy, a cocker spaniel dog and the apple of his master's eye.

MR. RUSSELL WEGER, B.S., University of Illinois, is in charge of vocational agriculture instruction. Agriculture I, II, and IV provide his daily class schedule. Mr. Weger is also FFA advisor. Helping the boys with their various projects plus taking them on field trips, take up a large part of his time. Mr. Weger and his wife, Evelyn, have two daughters, Laura and Mary. Mr. Weger's pastimes are watching television and horseback riding.

MRS. CARLA FOWLER, B.A., Southern Illinois University, is a first year teacher at M.G.H.S. and her subject is home-economics. Her classes include home-economics I, II and family living. Many new innovations have been added to the home-economics format this year and Mrs. Fowler is largely responsible for them. As F.H.A. advisor Mrs. Fowler spends much of her time counseling her F.H.A.'ers and organizing the various activities in which they are involved. Mrs. Fowler's husband, Jack, is a guidance counselor at St. Elmo High School. Mrs. Fowler's favorite hobbies include traveling and reading. This summer the Fowler's intend to build a new home.

MR. BYRON McGILL, B.A., Southern Illinois University, heads the Industrial Art Department. His daily class schedule includes four classes of Industrial art and two classes in drivers' education. Mr. McGill is also a frequent bus driver for many extra curricular school activities. Mr. McGill and his wife, Stephanie, have two children, Leesa 7 and Douglas 2. Mr. McGill's favorite pleasures include hunting, fishing, and tinkering.

MRS. LORRAINE HAZLETT, B.A., Robert Weslyan College, is one of the new teachers on the faculty this year. Her field of commercial instruction provides classes in typing, advanced typing and office practice, and bookkeeping. She is advisor to the yearbook and Messenger staffs and her afternoons are almost always taken up by their activities. She and her husband, Ray, are parents of two-year-old twins, Joyce and Keith. Spare time is something Mrs. Hazlett doesn't have, but if she did, reading and traveling would be at the top of her list.

MR. JACK FLETCHER, B.A., Southern Illinois University, teaches boys' physical education and serves as coach of basketball and baseball. Like all men in his profession Coach Fletcher puts in many hours at the high school with his coaching duties. Mr. Fletcher is always available for faculty plays and other presentations. He and his wife, Pat have two young daughters, Andrea, 4, the real scene stealer when she's with her Daddy, and Susan Marie, 8 months. Like all coaches, he enjoys sports himself, but his favorite pastime revolves around his "three girls."

MRS. ELIZABETH GRAMMER teaches girls' physical education in both the junior and senior high. Mrs. Grammer is the daughter of an African Missionary and she, herself, was born in Kenya, Africa. In the afternoon, she attends Greenville College, working toward her degree in education. In her spare time, she likes to read.

"KATHY"

The importance of cheerleaders is something that cannot be defined in words. The zip and excitement that they give to any basketball game is an intangible thing. Many times, the impression that a team of cheerleaders make will be remembered longer, when it comes to representing a school and the students in it, than the team itself.

This year M.G.H.S. could be proud of their cheerleaders. The support of the team never faltered, no matter what the score, and the sportsmanship was always superb.

The cheering squad was divided into the Junior Varsity, made up only of freshmen and sophomores, and the Varsity.

On this page are the JV cheerleaders: Kathy Baits, Deanna Dugan, and Pat Hill.

On the right hand page are: Debbie Jackson, Shirley Spradling, Sandra Siebert, and Susan Hopkins--the Varsity cheerleaders.

F.H.A. and F.F.A. are two of the most active organizations in school. Under the leadership of Mrs. Carla Fowler and Mr. Russell Weger, these organizations give learning and enjoyment to over eighty boys and girls.

The F.H.A. has many projects and the one pictured above was one of the most successful. At formal installation of 1964 officers, the members did "Tea Room" modeling for their friends and neighbors. A wide variety of outfits, including both hand-made and store-bought garments, were shown to the large audience. Dainty refreshments made the evening a complete success.

The F.F.A. boys make many field trips to different places for land judging and cattle judging contests. Public speaking and Parliamentary Procedure Contests are also participated in by the M.G.H.S. club.

Below, is one of the many activities sponsored jointly by the two organizations--The Cherry Pie Festival. A take-off on the old "box social," the Cherry Pie Festival substitutes pies for boxes, but the result is still the same--a boy has to put out the money to eat with his best girl.

Mulberry Grove High School can boast of one of the finest bands to be found in this area. Rightfully proud of their organization, Band members display spirit and loyalty worthy of imitating.

The officers that guide Band are:

President--Tommy Jackson

Vice-President--Susan Hopkins

Sec.-Treas.--Muriel Knowles

Librarians--Sandra Siebert and Loren Widger

Reporter--Janie Johnson

Mr. Barton, who deserves much credit for the music department's accomplishments, is especially proud of the individual member's fine showing in solo contests. The total points for 1st, 2nd, and 3rd division ratings obtained in solo contests ranked M.G.H.S. Band second in our division.

In the State Band Contest held this spring, the Band received an "Excellent" rating.

Popular entertainers, The Band received many chances to display their talents in P.T.A. programs and school assemblies. In addition to concert band, Mr. Barton also instructs the band in marching drills in the spring.

Her Majesty–Beverly Ann Metzger

Above: At left, Retiring queen, Sandra Siebert and her escort, Tommy Jackson.
Center: Her Majesty, Beverly Ann Metzger, 1963-64 Fall Festival queen, Her Royal guard, Charles Goodman, Queen's escort, Larry Greenwood, Royal guard, Nick Devall.
At left: Maid of honor, Debra Jackson and her escort, Jerry Short.

FRONT ROW: Marsha Matthews, Vicky Wallace, Jill Whited, Linda Lynch, Jeri Crane. SECOND ROW: Barbara Dothager, Brenda Dothager, Cathy Combes, Brent Elam, Ricky Wallace, John Bockstruck, Joni Wehrle, Edith Bartley, Doris Neatherly.

Above, at the extreme left are M. Dothager, C Mayfield, and R. Devore, the Herald Trio, and L. Mayfield, the Royal Page. At the extreme right is D. Blankenship, the Royal Herald.

The breathtakingly beautiful setting of "Babes in Toyland" provided the backdrop for this year's Fall Festival. Always the high-spot of the year's social activities, this year's Coronation was no exception.

From the Herald Trio's first notes that announced the entrance of the retiring queen, Miss Sandra Louise Siebert, to the culmination of the evening's events, the crowning of Miss Beverly Ann Metzger as Fall Festival Queen of 1963-64, the evening was unforgettable.

Setting the mood for the entire evening's events was the performance of the band and chorus as they interpreted in music the theme "Babes in Toyland."

At left, L-R: Miss Deanna Lynn Dugan, a sophomore, and Jerry Tedrick, Miss Janie Bea Johnson, a senior, and Larry Dothager, and Miss Martha Mae Beckert, a junior, and Roy Bohle.

Above, L-R: Miss Sharon Kay Hill, a junior, and Donald Koertge, Miss Linda Ann Roberts, a sophomore, and Robert Baits, and Miss Barbara Ann Roe, a freshman, and Bruce Grigg.

Junior-Senior Banquet

Sayonara''

This year's Junior-Senior Banquet provided a fitting climax to the year's social calendar.

The gymnasium was transformed into an exquisite garden with a pastel pagoda and sparkling fountain providing the scenery.

After the delicious meal, a short program of entertainment followed. Conficius, better known as Bruce Grigg, gave the seniors an insight into who their futures held in store. Frances Blankenship brought tears to people's eyes with her rendition of "Sayonara."

The prom that followed was a high spot, with Moe's Combo providing dance music for all the guests.

Chorus

FRONT ROW, L-R: Spradling, Siebert, M. Blankenship, Hopkins, Rench, Grigg, F. Blankenship, Cripe, Ward, Weber, S. Snow, Pm. Hill, Andrews, Poehling, Neathery, J. Snow, L. Ennen. SECOND ROW: K. Johnson, Lynch, M. Beckert, Lach, Sugg, Atchison, Lewis, Albert, Miller, J. Ennen, D. Dugan, L. Harnetiaux, Mayfield, Mr. Barton. THIRD ROW: Redenbo, Judy Ennen, Jackson, N. Dickson, Jenner, Sally Siebert, C. Dickson, Brashear, Ambuehl, S. Hill, Bohle, Smith, Waters, Wernle. FOURTH ROW: S. Harnetiaux, C. Beckert, Roberts, Hemminghaus, R. Dugan, Tedrick, Knowles, Roe, Ruppe, Baits, Britt, Johnson.

Girls' Chorus contributes much to the music department of M.G.H.S. Under the direction of Mr. Barton, the Chorus gives performances at many times and in many places. The Fall Festival's musical theme is always carried out by the Chorus in song. Also on their list of performances are Spring Concert, Commencement, Baccalaureate, assemblies, and P.T.A. programs. In addition, many individual groups, sextets or octets, from chorus perform at the various school programs.

"RURAL ELECTRIFICATION . . . GOOD FOR ALL AMERICANS"

Business is better today--pay-checks fatter, jobs more secure in every American city; and there is a good reason why. This year 16 million Americans now served by non-profit electric systems, will buy aver a billion dollars warth of electrical appliances. These will be made, sold, and serviced in the cities.

That was impossible 26 yeors ago, when only 1 af 10 families outside the city limits had electric power. That's when rural Americans, by working together, began to serve themselves with this necessity of modern living.

The Sauthwestern Electric Cooperative, Inc. is proud to have helped bring this miracle about.
